

International & US Payroll Services

Services to Amplify your Payroll Solution

Streamline your payroll administration so you can
focus on GROWTH

Humanic Payroll

Timely.
Accurate.
Compliant. Every time.

International Payroll Services

(so you can breathe easy)

Headache-free Global Payroll Services

It's critical that your payroll process is under control and your organization **remains consistently compliant**. With the ever-changing landscape of managing payroll worldwide, this becomes even more crucial.

Constant changes in rules regarding taxes, legislation and deadlines around the world can make international payroll a nightmare without proper management in place.

Reliable Compliance

- Consistent global payroll compliance
- Tax and Social Security services
- Country-specific reporting and filing

Reliable Payroll Processing

- Payslip delivery to global employees
- Dedicated point of contact
- Direct payments to employees in local currency

À la carte Options

Because **YOUR** solution should fit **YOUR** specific needs

You Choose what you need. We Build it.

Humanic Global Solutions was established with the intention of **solving complex problems with out-of-the-box solutions** and streamlined processes. The demand for tailored solutions outside of the general cookie-cutter approaches of many payroll companies quickly became an essential focus for our team.

Tax Filing

Filing of Federal, State and Local Employment taxes. Let us take care of this back-office task while you focus on growing your business!

Direct Deposit

Our payroll services team handle setting up direct deposit of funds electronically into employee bank accounts, ensuring accuracy and punctuality!

Payroll Consulting

Let our tax professionals tackle your most complex issues. We can fix all your nagging current and past employment tax issues!

Garnishment (& more)

Our team will set up and maintain employee wage garnishments, new hire reporting, full W-2 processing. We can also perform accurate quarterly and year end reconciliations.
