Clients Matter

Build long-term relationships with your designated rep and service team

Maximum Flexibility

Better customization and efficiency through open APIs

One System

Our expertly-designed and user-friendly HR platform that handles it all

Exceptional Service

We commit to stand behind our word and truly care

Transparent

At our core, we are trustworthy, proven and dedicated to your success

"Inova's immediate support sets a gold standard in customer care, offering a level of responsiveness and genuine concern that's rare in many businesses.

Katie H., Decor IQ

We switched to Inova from ADP at the start of the new year 2023. What a difference. The customer service is excellent at Inova. The set-up team answered any questions and walked us through each step. Could not be happier we made the switch.

Suzanne F., Fazio's Bakery
