

Digital Transformation in Finance: Where to Begin?

69% of CFOs list digital transformation as one of their top priorities, agreeing on three points in particular.*

1

Digital transformation is here to stay.

2

Digital transformation is about more than just technology and should be approached as such.

3

Digital transformation is still in infancy.

*Finance priorities in 2022, Gartner

Why should you start your digital transformation now?

70% of organizations have a **digital transformation strategy** or are working on one⁽¹⁾
